experience

Graphic Design Intern • University of the West Indies

January 2023 – May 2023

Designed 5+ online/print event marketing materials for the Institute of Gender Studies that promoted gender equity and supported Women's International Day.

Software Engineering Intern • OfferUp

June 2022 – September 2022

Completed a full-stack project using Typescript, React, GraphQL, Java, Postman, and Charlie. Learned how to manage time implementing the Agile iterative methodology.

Marketing and Communications Design Intern • PLU

September 2020 – December 2022

Designed 45+ online/print event marketing materials, animation/video projects, and other items for university clients such as admissions and athletics.

Literary Arts Magazine Co-Editor • PLU

January 2021 – May 2022

Co-designed and typeset a 76-page printed book featuring 25+ contributors in PLU's arts community. Co-edited a website to feature the works of 30+ students.

Asian Pacific Islander Club Officer • PLU

April 2021 – December 2022

Served as co-president, vice president and treasurer to facilitate community and dialogue between the Asian Pacific Islander student body. Co-organized 2 campus-wide cultural events that each engaged 150+ participating students.

Community Advocate • PLU

August 2021 – May 2022

Supported the university's commuter students through maintaining the physical space, managing the social media content, and organizing 2 engaging community builders.
